NORTH WEST LEICESTERSHIRE DEANERY NEWS

Issue Number 12 : November 2026

WELCOME TO THE CHRISTMAS EDITION OF THE DEANERY NEWS

At Christmas time we often think about Joseph and Mary travelling to Bethlehem for the census. For most of us 2026 feels a bit different, with government notices tell us that we should be prepared, with food and water laid up for a few days. In times of national uncertainty the peace of God truly passes understanding. It is so wonderful to receive this heavenly gift, and to share it with others. So as we look forward to celebrating the Prince of Peace coming into the world let us not keep the good news to ourselves but invite friends and family to Carols and Crib services, to nativities and other Christmas events.

Yours in Christ

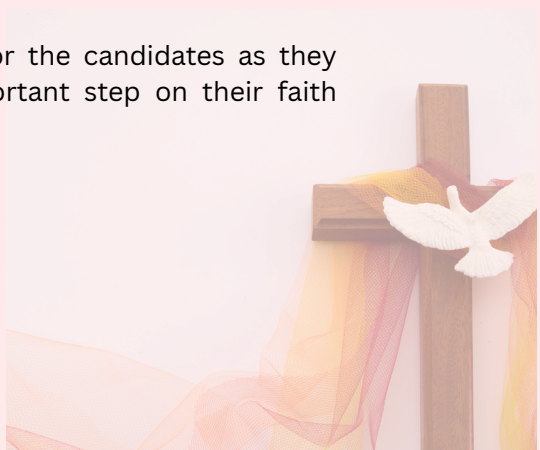

Tim
The Revd Tim Phillips

DEANERY SYNOD

Deanery Synod at St Andrew's Thringstone Thursday 3rd December - CANCELLED

Synod dates for 2027 will be circulated soon.

Thank you to all the churches who have hosted synod meetings for us this year. Venues are still to be arranged for 2027 so please do let us know if your church can host.

Thank you to everyone who has sent in content for the newsletter. The next edition, Spring 2027, will be coming out in March.

LAITY MEETINGS

As the year draws to a close, we extend our sincere thanks to all the churches that have welcomed us and provided venues for our laity meetings. Your hospitality and support throughout the year are greatly appreciated.

Looking ahead to the coming year, we would welcome offers of venues to help these gatherings continue. If your church would be willing to host a meeting, please let us know.

Thank you for your continued support; we look forward to meeting together again in the new year.

Noreen & Avril

Loving Lord, In this sacred season of Advent, turn our hearts toward the coming of Your Son, Jesus Christ, and toward Mary, who faithfully prepared to welcome Him.

As we remember the Holy Family's journey of trust and hope, guide us on our own journey through life. Help us to follow Your will with loving and obedient hearts, and to show gentleness, care, and kindness to everyone we meet.

Fill us with gratitude for Your many blessings. Give us hearts rich in compassion and understanding, so that we may share Your love generously with those who need it most.

Amen.

HOLY ROOD CHURCH PACKINGTON *The Revd Lesley Birtwistle*

Do you enjoy a Brass Band?
If so, come and join us on Tuesday, 15th December at 7.00pm at the Bull & Lion pub in Packington, when members of a local Salvation Army Band will be playing carols and mince pies and mulled wine will be served.
We all admire the Salvation Army and the fantastic work it does for the most vulnerable in our society and there will be the opportunity to make a gift to them. So, all the ingredients are there for a good sing, a good cause and a foretaste of Christmas joy. Bring a torch, some money in your pocket and a good pair of lungs!
We hope for fine weather but if it is wet then the event will be held in Holy Rood Church.

Candlelit Carol Service – Holy Rood, Packington, 6pm on Sunday 20th December
Something of a misnomer because we do keep some lights on so we can see what we are doing! but we have lots of candles too – the church always looks beautiful and our very traditional service of readings and carols once again will bring the Christmas story alive for us in word and song and lift our hearts in praise and worship. We are delighted that Revd. Laura Jackson, whom many of you will know, has accepted our invitation to be our speaker this year and we are very much looking forward to her visit.

POSADA (Spanish for "Inn")
In Packington, during Advent, Mary & Joseph and their donkey (knitted versions!) go on their Christmas travels around the village and its environs. Their journey begins on Advent Sunday when they are sent out with their first hosts from our Christingle Service. From then on they move every day to a different home and join in the life of each family. Finally, they are brought to church on Christmas Eve for our Crib Service where they are taken up to the front during the Service and placed in the stable, all ready for the imminent birth of the baby Jesus. Their hosts are encouraged to write a brief diary of what their guests get up to whilst they are staying with them and to take some photos, which are subsequently posted on our website.

Draw to take place on Sunday 6th December during the Christmas Tree Service at Holy Trinity

Advent invites us to pause, wait, and prepare our hearts for the coming of Christ. In the stillness of winter, we remember that hope can grow quietly, even when the days feel dark. As Christmas draws near, may we make room for Jesus through prayer, small acts of kindness, and care for those who feel forgotten. Let us welcome His light, not only into our celebrations, but into our everyday lives.

Loving God,
As winter settles around us and the nights grow long, draw us close to Your warmth and peace. Help us find beauty in quiet moments, rest in Your care, and hope in the light that darkness cannot overcome.

At Christmas, we give thanks for the gift of Jesus, born among us in humility and love. May His light fill our homes, soften our hearts, and guide us to welcome others with kindness.

Be near to those who are lonely, grieving, cold, or without shelter. Bring comfort to those who miss someone at their table, and strength to those for whom this season is difficult. Teach us to share what we have and to make room for those in need.

Bless our families, friends, and neighbours. Where there is tension, bring understanding; where there is weariness, renew our strength; where there is sorrow, gently kindle hope.

Through this winter and into the coming year, help us carry the love of Christ beyond a single day. May we walk in faith, give with joy, and remember that You are with us in every season.

Amen.

Heritage Talks 2026 - 2027

September 29th	R 'Bis' Bisgrove	***Leicestershire during the Reign of Queen Elizabeth II***

So much happened in Leicestershire during the reign of our late Queen – Motorways opened, railways closed, sports teams won trophies, singers were in the charts, new councils were formed, trees were planted and polytechnics became universities. This enjoyable trip down memory lane will stimulate lots of your own recollections.

October 27th	Danny Wells	***The Victorian Way of Death***

Death was ever present in nineteenth century life. Not as morbid as it may sound, we take a fascinating glimpse into Victorian attitudes to death.

November 24th	Rachel Askew	***Mercian Sculpture & Breedon Priory church.***

Breedon Priory Church has one of the largest collections of Anglo-Saxon sculpture in the country. Their survival is largely thanks to the priory and church that were built on the site after the Norman Conquest. Why was a priory built in such an unlikely location? How was the sculpture used in the new building? What happened to the carvings after the Reformation? Dr Rachel Askew, will try to answer these questions and more besides.

January 26th	Julie Starkey	***Extending the Church: a Victorian Vision***

Parish Magazines published in the late 19th Century document the vision, fundraising & work involved in renovating and restoring St Helen's Church. This is the story of the people and ideas behind an enormous project which transformed a medieval church into a Victorian triumph.

February 23rd	Peter Liddle	***Topic tbc***
March 30th	Andrew Marriott	***The Railway that went to war***

Why the Royal Engineers requisitioned the Melbourne to Ashby Branch Line between1939 and 1945. This talk explores why they did it, how it was transformed into a military railway training centre, and the vital role it played in preparing personnel for wartime operations in Europe and beyond.
